

DECEMBER

2013

Many thanks to Virmarie for opening her beautiful home in North Little Rock to host our Christmas party. Everyone enjoyed the wonderful food and fellowship. A few of the artists took part in the gift exchange. A highlight of the evening for everyone was presenting Nancy Martin with some art gifts to help replace all the supplies she lost last month when a fire destroyed her daughter's home where her studio was.

We voted on new officers at the party and yours truly is your new president. The list of all the other new officers is on the next page. Thanks to all who are willing to step up and serve. I want to say a special thanks to Margaret Lincourt for taking over the newsletter from me. I imagine we will have a new look for the next one, which will be great!

Hope everyone has a wonderful Christmas and a very Happy New Year!

More from the Christmas Party

I have an artist's blog: www.pastelanne.wordpress.com where I have been posting suggestions for compositions and sketchbook drawings since last June. I post on the average of twice weekly, and I draw from my experience of 50+ years as an artist and art educator for children, teens, and adults. Most of the posts include examples. I intend to keep posting until I run out of ideas, or until I die, whichever comes first! Please visit my blog – I welcome comments. Thanks.
