

JUNE

2012

Hello everyone,

We had a great meeting last night. Our program was presented by Suzanne Waggoner and she did a wonderful job. She likes us so much that she is now a member. Suzanne talked about turning a failed painting into one that's successful and showed us some wonderful examples.

Remember that we have NO meeting in July.

We got a great report from everyone who attended the workshop. It was a huge success and everyone felt like they learned a lot.

Keep painting and we'll see you in August,
Lois

Sally Strand Workshop

The 4 day Sally Strand workshop on “Light and Color” was wonderful! We had several APS members participate in it. Sally was incredibly knowledgeable and was able to share her knowledge with all of us. We all left feeling we had learned so much that it would take us weeks (maybe months) to process all the information.

Our monthly meetings are the first Tuesday of the month at 6:00 p.m. in the south auditorium of the Center for Health Education building of St. Vincent's Hospital.
