## Exploring Pan Pastels

Shirley has become known for her beautiful landscapes using pastels. In this workshop she will demonstrate her technique for applying pan pastels to lay in the art work and in some cases using pan pastels for the bulk of the painting. She will share her experiences with different surfaces using a variety of tools. Watch the demo, paint along, or use your own photographs to experience the beauty of pan pastels.

Email Shirley at [sranderson093@sbcglabal.net](mailto:sranderson093@sbcglabal.net) if you have questions about the workshop. A list of class supplies will be provided upon registration. For those that do not have pan pastels a few of the pans are available for sale as well as the application sponges. Shirley is making available a limited number of pan pastels for the artists to try if they do not wish to purchase at this time.
